"The Chief"
'58

Foreword

The unceasing lap of the waves over which many ships with countless untold destinies have voyaged, has provided also for the passage of "The Chief" of '58. This ship began her journey in the year 1954 on the brink of confusion and uncertainty.

Having traveled through four years of sunshine and fog, "The Chief," carefully guided by her experienced navigators, has at last docked upon the unknown horizon of the future.

Here, her weary but grateful passengers prepare to board different ships, destined to guide them to the fulfillment of life they seek far beyond the horizon.

The journey of "The Chief" of '58 will often be recalled to their minds, and the log pertaining to their trials and pleasures in learning and experience, composed during their last year on board, will be held in high esteem as a remembrance for all.

MR. JAMES CASSIDY

To Coach James F. Cassidy who has ploughed steadily, tilling the soil of character, the ground of knowledge, and the field of athletics, sowing the seeds of kindness, never once forgetting his ideals of good sportsmanship and fair play, we, the class of 1958, dedicate this annual.

With mist in our eyes, loyalty in our hearts, and a regret for our departure, we say to Coach Cassidy—"Thank you."

College

A day at Case High School,
And of what it consists
Is conveyed in these pages
We hope you like this.

The boys in the shop
Their story is told,
And the courses for college
Are big and bold.

Is it a typist you
Happen to need?
The commercial course
Trains one with speed.

Of course there's a rowdy,
The life of the school,
Who never pretends
To follow a rule.

Now turn the pages
And you will see;
Case classmates
Strive for victory!

Alma Mater

Tune—Cornell Alma Mater

Words—Class of 1947

*Our strong bond can ne'er be broken
Formed in dear Case High
Far surpassing wealth unspoken
Sealed by friendship's tie.*

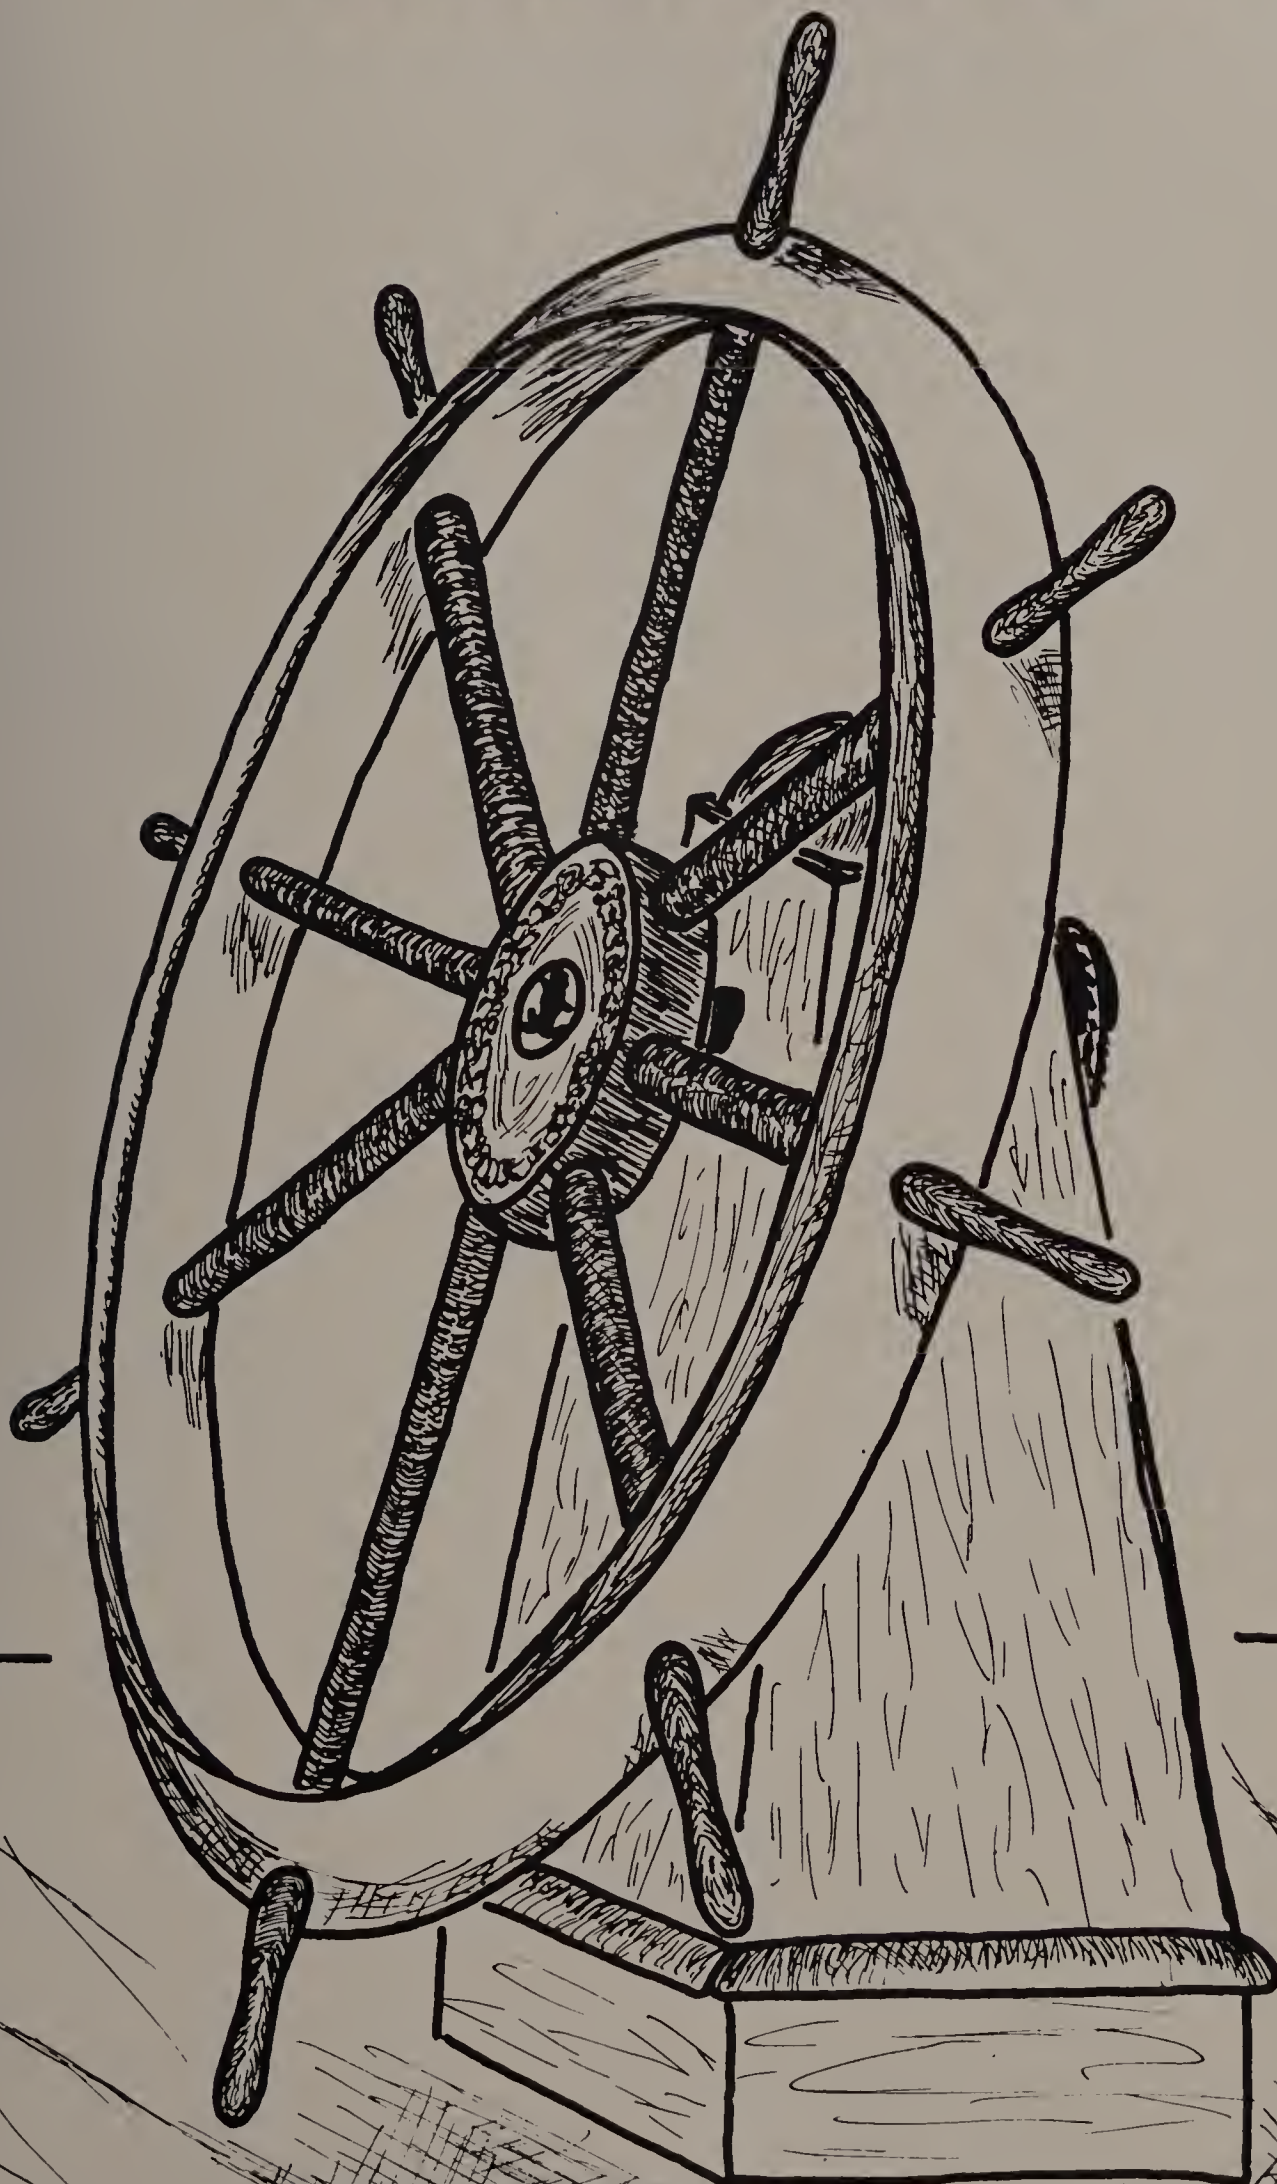

*Mem'ry's leaflets close shall twine
Around our hearts for aye,
And waft us back o'er life's broad track
To pleasures of past day.*

*High school life at best is passing.
Gliding swiftly by;
Then let us pledge in word and deed
Our love for dear Case High.*

CHORUS

*Alma Mater—Alma Mater,
Deep graven on each heart,
Ode victorious, we go singing
As from these halls we depart.*

Superintendent's Message

TOWN OF SWANSEA, MASSACHUSETTS DEPARTMENT OF PUBLIC SCHOOLS

RICHARD B. GREENMAN, SUPERINTENDENT

OFFICE OF SUPERINTENDENT
JOSEPH CASE HIGH SCHOOL
OSBORNE 4-1332

To the Class of 1958:

In our Town Office is a painting of early ship building in Swansea. This industry began here in 1694, when a sloop of forty tons burden was built, and it flourished at three shipyards on Lee's River, Cole's River and the Palmer River.

Mason Barney, for whom the school in North Swansea is named, started to build ships at Barneyville on the Palmer River in 1802 before reaching the age of twenty. Although he did not know the use of tools, he had the courage and self-reliance to launch one hundred forty nine vessels before the business closed in the financial crisis of 1857.

Sometimes Mr. Barney employed two hundred fifty men, and his boats ranged in size from the small fishing smack to the ship of 1,060 tons, "the largest vessel that had been launched in this section of New England."

Joseph Case High School, as it marks thirty years of service to the youth of Swansea this June, is the boatyard for launching many careers. I trust your preparation, training, and experiences here will prove a worthy vessel to carry you safely to many parts of the world and many ports of success in your future.

Sincerely yours,

Richard B. Greenman

Principal's Message

PUBLIC SCHOOLS SWANSEA, MASSACHUSETTS

JOSEPH CASE HIGH SCHOOL
OSBORNE 4-1332

HELEN A. REAGAN, PRINCIPAL

To the Members of the Class of 1958:

From a class of 104 freshmen who entered the Joseph Case High School in the fall of 1954, you, 87 in number, have persevered to complete your high school course. It is for this accomplishment that your teachers, your families, and your friends now offer you congratulations. However, in your present happiness you must be mindful that at this point you are merely fulfilling the requirements of school regulations and laws. It is for you to use your present training and the knowledge you have thus far acquired as a stepping stone, a Commencement, if you will, to a more advanced state where you will assume a greater responsibility and where you will be called upon to make some personal sacrifices.

In whatever station of life you may find yourself, I pray that you may be given the ambition, the serious intentions, and the spirit of perseverance to endure. Do not be tempted to yield to the consoling and popular, but fallacious, philosophy of the unthinking youth of today as epitomized in the song title, *Whatever Will Be, Will Be*.

Now, as you leave your high school days, you do so invested with a new status which involves grave rights. You should understand early and thereby save yourself the pain of disappointment and frustration, that you are now entering a mode of life where personal effort and accomplishment are not assessed and evaluated by quarters, semesters, or terms. The all important thing is that, day in and day out, you are faithful to a high ideal, that you nourish, enrich, and strengthen this ideal, that you share your talents with others and that you increase them by devoting them generously to the social and cultural needs of your community.

Finally, I would have you ever mindful of the poetic admonition:
"Almost is of no avail,
Almost is but to fail"

Each of you may be assured that, if you approach the future in this mood, however divergent your respective careers may be, when the time comes for you to look in retrospect upon your life and to evaluate your effort you may sum it all up in words borrowed from St. Paul.

"I have fought a good fight:
I have finished the course:
I have kept the faith."
May God bless you, one and all,

Helen A. Reagan

Vice Principal's Message

January 13, 1958

Congratulations to the Class of 1958:

Perhaps I shouldn't offer you congratulations unless I were to know for certain that you have really learned from the mistakes you have made in high school. It is all very well to "spend" four years of your life in high school and arrive at a diploma. Many people do this without actually deriving any benefit. All too often we are subjected to certain experiences, from which we are expected to derive some benefit, and fail to do so. In fact this might be a failing of our age. I submit to you, therefore, the premise that we achieve good from learning experiences when we apply these experiences to our daily lives.

One of the functions of public education is to inculcate in the minds of youth, ideals which will stand them in good stead in later life. Then too, the schools provide certain experiences where youths will have the opportunity to make mistakes. Of course, this idea of making mistakes is a positive thing. It is based upon the idea that we learn from experiences.

So it is with you. You have been provided with many opportunities to make mistakes, and you have made them, and most of you have profited. It would be nice to say that we all profit from our errors. Of course, we know that is not true. I would like to think that this particular class, in arriving at a diploma, has benefited greatly from the errors of omissions and commissions and has applied the lessons learned to their daily lives.

In conclusion, we may remember that "to err is human, to forgive, divine" but let us carry one step farther and say that to learn from our mistakes is an attribute of an intelligent person. I hope that this phrase is applicable to you.

Sincerely,

Edward R. Silva

As we leave Case, seeking the knowledge offered beyond further horizons, we will always remember our high school days.

How much we've grown, both physically and mentally, since entering in 1952 as bewildered seventh graders! Uniting as a class, we worked together towards the fulfillment of our aims and hopes.

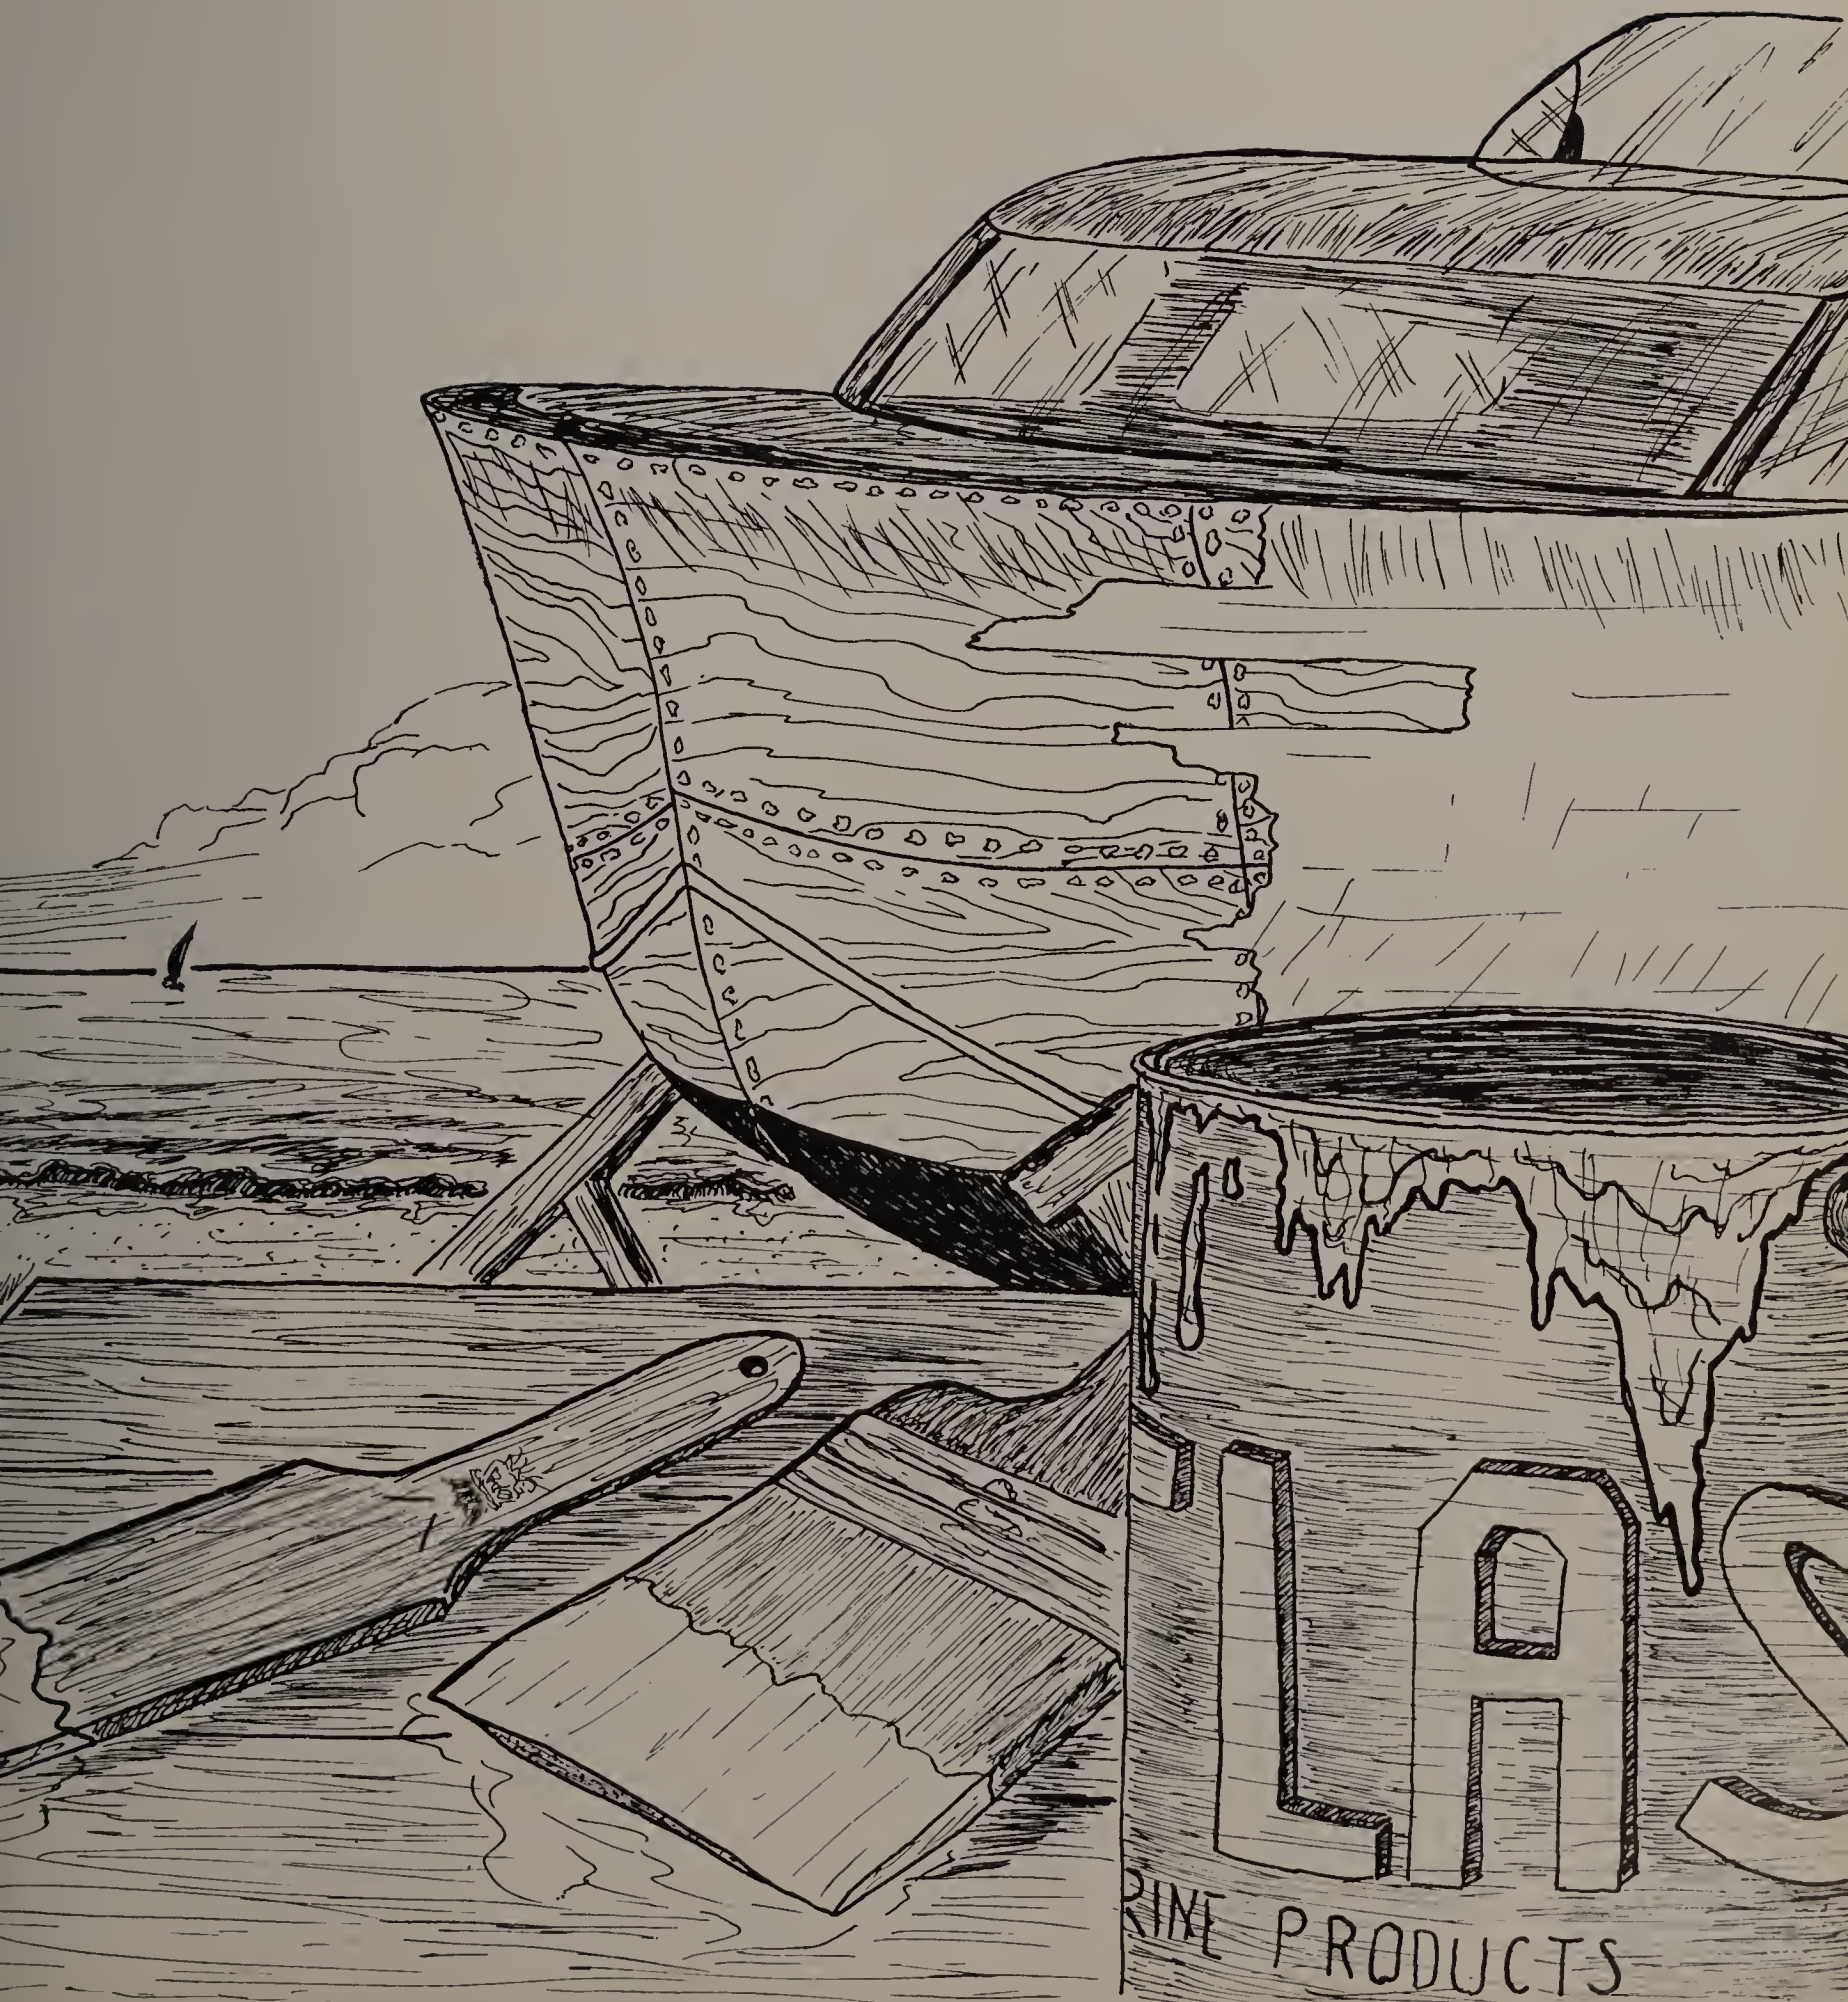

Though our number has diminished, we have now attained our utmost goal and have become the suave seniors who were once the subject of our own praise and admiration.

Victorious!

CONGRATULATIONS, SWANSEA

In 1957 the Student Council began a campaign, "Case's Action for Peace," in order to bring a foreign student to Case High School for the first time. Due to the work of the Student Council who planned and executed a door to door collection and the interest of the Swansea people who eagerly contributed, we are proud to have with us in 1958, Ralph Baenzinger, our foreign student from Switzerland.

Ralph contributing to his classes.

GOOD GOVERNMENT DAY REPRESENTATIVE

Good Government Day in Boston, March 13, is an observance which permits students from various schools to experience and understand the actual operation of state government.

This year Snell Mashburn was chosen by the Student Council to represent Case High School. Snell is of high intellectual standing, has a fine public speaking voice and is very active in basketball.

We, the class of 1958, wish you, Snell, success and happiness in all your future endeavors.

After piling up an insurmountable lead in the first half, the Redbirds coasted to an easy win over a weak Prevoist five for their initial victory of the season.

Bill Mitchell and Snell Mashburn combined for 24 points in the first half to put the game on ice.

The starting five only played full quarters and as a result Ross, Richard Deruisseaux, Janlan, Bill Cotter, and Harvey all dented the scoring column in the final stanza.

*We are the class of '58
This coming June we graduate
We happen to number 89
Let's introduce them by a line.*

*We have a boy named Wayne Goss,
Without him we'd be at a loss.
His pal goes by the name of Spicer,
He couldn't possibly be nicer.
There's Ellen Allen, quite a gal
Who has J. Furtado for a pal.
The Football Queen was quite a cutie,
Her name is Beynon, Judi.
On the Case girls' varsity nine,
We think Sharen's mighty fine.
Also, S. Horton's on the team.
She makes sure they're on the beam.
Star athletes are Travis, Jim and Phil,
And also one called Christopher, Bill.
A six-foot sixer is Case's Snell.
He makes girl's hearts go pell-mell.
An ace reporter is Bob Fiddler,
He's the greatest little kid-ler.
A real nice looker is Bob Murphy,
Glad he doesn't go to Durfee!*

*A cute little miss is our Jane,
No one would ever call her plain.
Here's a cheer for Barbara Mello,
Her fine clothes make her a belle-OH!*

*Charlie B's not at a loss,
Of car and girl he is the boss.
A special spot we have for Gillian.
Full of jokes, she is a silly-un.
Quite a fellow is Emond, Jean,
He drives the teachers off the bean.
Up to mischief is Entwistle, Tweet,
He raced in a recent track meet.
Here's a cheer for Hibbert, Frank,
In math he is of the highest rank.
An asset to Case is Perriera, Georgette.
A great artist we're sure she'll be yet.
Know a girl who's cute and coy?
You'll find her in Jeanette La Croix.*

*We've mentioned a few known to all,
Who've kept school spirit in the halls.
And as we leave dear old Case High,
We take with us memories that never die.*

SUMMARY OF THE FOOTBALL SEASON

The 1957 football season saw Case losing on opening day to a very potent Oliver Ames team. Following this, the Cardinals racked up wins over Franklin, Situate, Dighton, and Somerset. These wins were sandwiched around hard-to-forget ties with Mansfield and Dartmouth.

Climaxing their season with the greatest high school comeback ever, on Thanksgiving morning, Coach Jim Cassidy's senior-filled eleven captured, for the third straight year, the Narry Football Championship.

Trailing 19-0 midway in the final quarter, the Maroon and Gold turned all Swansea into pandemonium by scoring three TD's in six minutes and taking the title away from arch-rival, Somerset!

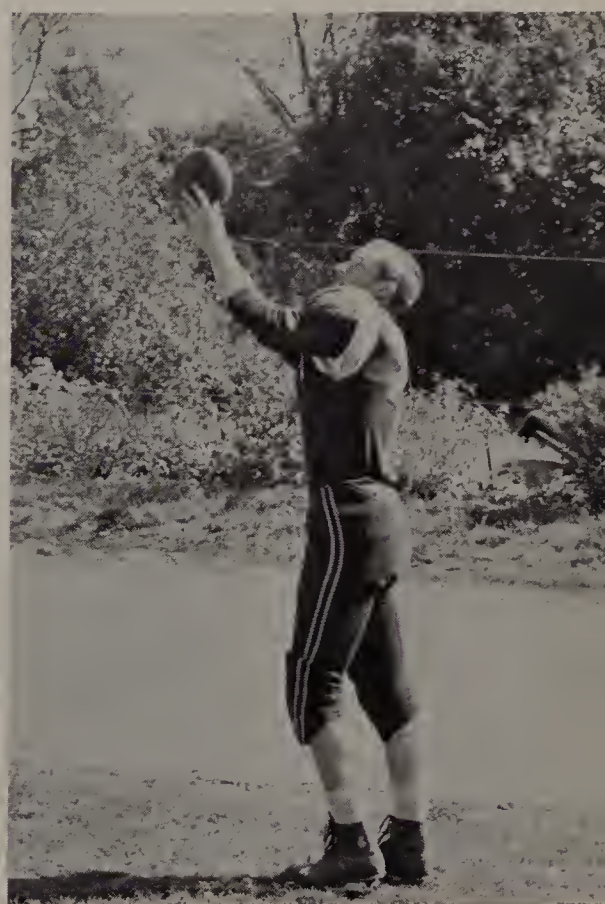

Case High dominated the All-Narry selections placing four on the first team: Mike Howayeck, Norman Chretien, James Travis, and Wayne Goss.

SUMMARY OF THE BASKETBALL SEASON

Case High's "hoop" five roared to another successful season in 1957-58. They fought for and achieved the runner-up spot in the Narry League ending the season with a thirteen win and three loss record. Only teams to defeat our Maroon and Gold were Somerset (2) and Dartmouth (1).

In the final game of the Narry season, Case racked Dartmouth, thus putting an end to Dartmouth's title hopes.

Tech Tourney competition was keen and the charges of Coach Cassidy were eliminated by Oliver Ames in the quarter-finals. But, before they were eliminated they knocked Dartmouth out of the tourney in the most exciting game of the entire season. The final score was decided by just one point.

Congratulations to Snell Mashburn, Philip and James Travis, Bill Mitchell, and Al Mac Crae for bringing to Case another fine basketball season!

We, the class of '58, are very sorry to see Mrs. Irene Monte leave us after years of sincere service as musical director of the Swansea public schools. Her friendship and enthusiastic personality will be long remembered in the halls of Joseph Case High School.
